Business Card and Postcard Specific Information

Unlimited Color

All of our cards are printed in full-color on industrial offset printing presses. This means you may use any number of colors and/or images without affecting the price.

Premium Card Stock

The paper stock we use is amongst the finest available. It is a comfortably thick **New** 15-point stock (350gsm) coated both sides with a satin matte finish and can grow to an impressive 16-point card with the glossy U/V coating applied.

Card Texture

(Glossy U/V / Matte Finish) You may select a **FREE** glossy U/V or matte aqueous finish on either side. We recommend the back of the card be set to matte as it is easier to write on

Letterhead and Envelopes Specific Information

Unlimited Color

All of our letterhead and Envelopes are printed in full-color on industrial printing presses. This means you may use any number of colors and/or images without affecting the price.

Premium Letterhead and Envelope Paper Stock

The acid free 70# paper we use is an opaque, premium #1 stock with superior offset run ability. The opacity level allow for minimum see through giving you quality without increased cost. The crisp brightness allows for a consistent printing surface for all colors. This is a dependable and versatile paper that is guaranteed to work well in both laser and inkjet printers.

Brilliant Colors & Smooth Tones

Our use of high quality paper, along with liquid inks to produce bright, beautiful, and smooth color tones that will reflect your professional image. You are not limited to only one or two colors, you may use any number of color combinations including, but not limited to, full color photographs and logos.

Brochure Specific Information

Unlimited Color

All of our brochures are printed in full-color on industrial offset printing presses. This means you may use any number of colors and/or images without affecting the price. Folding options coming soon.

Premium Brochure Paper Stock

The 100# Gloss Book paper we use is an opaque, premium #1 stock with superior offset run ability. The opacity level allow for minimum see through giving you quality without increased cost. The crisp brightness allows for a consistent printing surface for all colors. This is a dependable and versatile paper and coating that is guaranteed to work with inkjet labeling equipment.

Brilliant Colors & Smooth Tones
